PROFESSIONAL EXPERIENCE

Product Management Specialist — Syriatel Mobile Telecom
Damascus, Syria | Mar 2018 - Aug 2024

- Managed a portfolio of B2B telecom products for corporate clients (corporate VPN lines, Bulk SMS and other business services).
- Led the Syriatel Cash mobile e-wallet as a two-year initiative, driving adoption in a cash-heavy market and expanding its services and partners.
- Coordinated external partners with internal Marketing, IT and engineering teams to deliver service integrations on time.
- Tracked transactions, adoption and revenue via BI dashboards and advanced Excel; produced reports and recommendations for management up to CEO level.

Customer Success & Reporting Specialist — Syriatel Mobile Telecom
Damascus, Syria | Apr 2016 - Feb 2018

- Resolved escalated customer complaints, coordinating with Marketing, IT and external partners to fix issues and process refunds.
- Monitored new-product performance through customer feedback and produced KPI reports for management, shareholders and the CEO.
- Quality-checked front-line transactions and drove corrective follow-up.

Customer Service Representative (Call Centre & Point of Sale) — Syriatel
Damascus, Syria | Mar 2013 - Mar 2016

- Handled customer inquiries and complaints in the call centre, then sold lines and services face-to-face as a POS representative in flagship centres, meeting sales targets.

Customer Service Representative — Lavazza Group
Damascus, Syria | Jan 2010 - Dec 2012

- Answered inquiries, processed transactions and supported upselling and cross-selling for an international brand.
